

January 1, 2009

Dear Ascension Health Prescription Plan Participant:

We are happy to announce that AmeriPharm Pharmacy Services is your new mail order provider for your prescription benefit plan effective January 1, 2009. AmeriPharm At-Home is like having a pharmacy at your door. We can save you trips to the pharmacy while providing confidentiality in your prescription needs.

To get started in the AmeriPharm mail order program, use one of the following three ways to enroll. Within 14 days you will receive up to a 90-day supply of your prescription(s) in your mailbox. It's as simple as that!

If you have an existing prescription, with or without refills

- Call us toll free at 1-866-744-0621 and one of our associates will be able to give you the necessary information to get the AmeriPharm At-Home program started.
- **AmeriPharm will contact your doctor and transfer the prescription to our pharmacy.**

If you have a new prescription,

- Complete the enclosed order form. Mail the form along with your **original prescription(s)** in the enclosed envelope.
- Or, log onto www.AmeriPharmInc.com. Download and complete the order form, enclose your **original prescription(s)** and mail it to:
