

RESIDENTIAL PROGRAMS

LOURDES CULLUM HOUSE

Lourdes Cullum House is a residential treatment facility with staff at the house 24 hours each day. Lourdes Cullum House and staff work with each resident's symptom management while finding a less restrictive place for them to live. Residents of Lourdes Cullum House may stay up to 90 days.

- ▶ Daily life skills group
- ▶ Health living groups
- ▶ Nightly psych educational groups
- ▶ One-on-one staff education time
- ▶ Vocational assistance, offered in a group and individual setting
- ▶ Learn how to live independently by experiencing hands on learning in a home environment

LOURDES SUPPORTED LIVING

Lourdes Supported Living program is a supportive, independent living environment with staff on sight 7 days per week. The goal of this unique program is to eliminate barriers for the residents and develop permanent housing solutions. Residents in this program may stay up to 18 months.

- ▶ Groups structured around assisting residents with addressing barriers to permanent housing
- ▶ Structured activities with staff and other residents in the program
- ▶ One on one learning opportunities to address barriers to permanent housing
- ▶ Daily Residential Staff contact to assist with independent living skills
- ▶ Vocational assistance, offered in a group and individual setting
- ▶ Successful participation in program results in a good reference letter to future housing options

Lourdes Residential Programs are voluntary programs. The Landlord-Tenant Act does not apply to these programs. Participation in the program may be terminated at any time with or without cause.
