

GETTING STARTED

Getting started as a new volunteer at Lourdes is a step-by-step process designed to insure that all volunteers are oriented to hospital and volunteer department policies.

The process includes:

- Complete the application packet
- Schedule an interview with the Volunteer Specialist
- Attend an Orientation
- Review job descriptions for the placements you are interested in
- Take a TB Test
- Complete a criminal background check and drug screening

All of these procedures are in place to ensure a safe and healthy environment for our patients and their loved ones.
